You won't need to worry about finding electricians, plumbers, or tilers, as we handle it all as part of our comprehensive turnkey solution. This ensures a seamless, stress-free experience, where every detail is expertly managed, so you can relax knowing your project is in safe hands from beginning to end and beyond.

4.

## WE GUARANTEE TOTAL SATISFACTION.

With **over 40 years of experience and hundreds of installations**, we've mastered the art of ensuring every project is only complete when you're 100% satisfied. Don't just take our word for it, please ask to see our previous work, and we'd be delighted to share our wonderful collection of thank you cards and messages from our happy clients with you.

## ARE WE COMPETITIVE?

✓ **LIKE FOR LIKE, CHEAPER THAN WREN, MAGNET AND HOWDENS KITCHENS\***

✓ **FULLY ASSEMBLED HIGH QUALITY KITCHEN UNITS**

✓ **NO GIMMICKY PROMOTIONS, JUST THE BEST QUALITY FOR THE BEST PRICE, ALWAYS!**

✓ **RELAXED, PROFESSIONAL ADVICE AND SERVICE, NO HARD SELL!**

\* Like for like, please ask in store how we achieve this. When comparing prices ensure that you are comparing the same quality and services.

## SO WHAT ABOUT PRICES HOW MUCH WILL MY NEW KITCHEN COST?

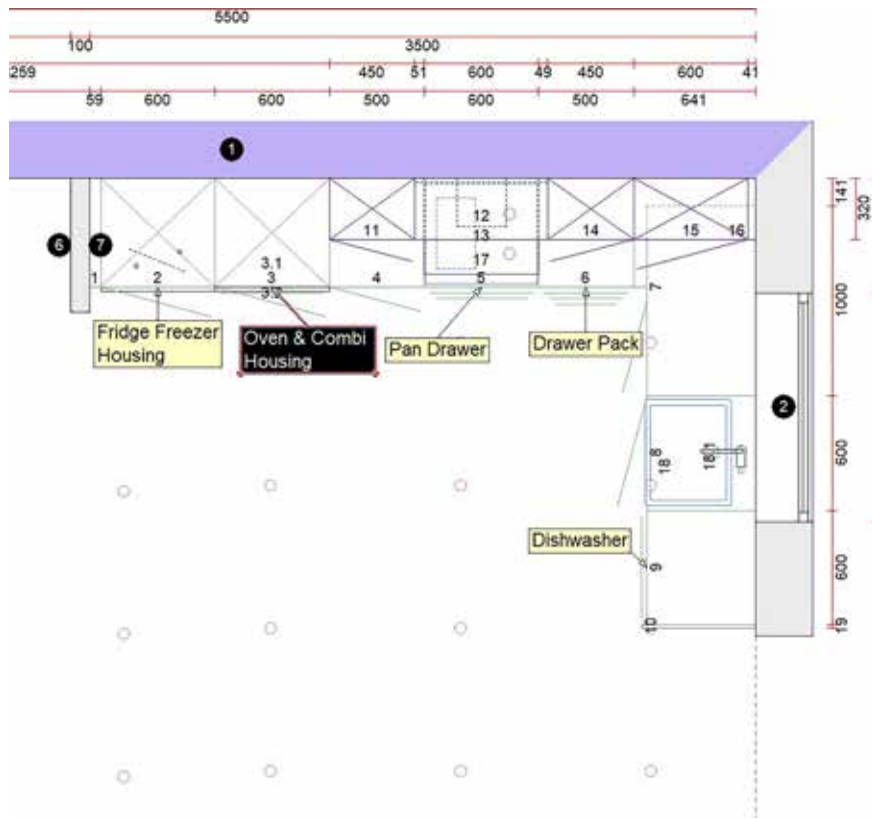

It's difficult to give an exact price for a new kitchen without a design, as each one is unique. Costs depend on factors like room size, cabinetry, worktops, finishes, and any specific appliance or storage needs. A tailored design helps us understand your needs and provide an accurate quote for the entire project.

A typical complete kitchen from **Paul Newman Interiors** includes everything, from cabinets and appliances to installation and finishing touches. Unlike some competitors, our pricing can cover the entire project meaning you won't face any unexpected extra costs or need to arrange additional services, making the process smooth and hassle-free.

**To help you get a realistic idea of costs**, we have designed two different **example kitchen** layouts on the following pages, one is an 'L' shaped kitchen and the other includes an island. We've then shown both designs in our three most popular styles:

- **Modern Handled** - *Functional and contemporary*
- **Modern Handleless** - *Clean and modern*
- **Shaker Style** - *Timeless elegance*

We've specified our beautiful and hard wearing **premium Quartz solid worktops** and included our most popular German appliances from **Siemens**, although we've also given an indication of the savings that can be made with a different worktop and appliances. These are full kitchens and align with our most popular styles with lots of different finish choices and colours available.

## HANDLED L SHAPE - With Siemens appliances and premium Quartz worktops

**£17,400 FITTED**

**MODERN HANDLED** kitchen with premium Quartz solid worktops, built in stainless steel sink and mixer tap. This example includes Siemens oven and microwave, an induction hob and extractor hood, integrated fridge freezer and dishwasher.

The installation here included dry fitting the new kitchen to prepared walls.

Dry fitting is just one of the options we offer and is usually good for price comparisons, however we also offer full installation of your new kitchen including, plumbing, electrics, tiling, small building works and full project management, which we can price before you place your order. When comparing prices ensure you are factoring these extra costs into your budget.

### VARIANTS:

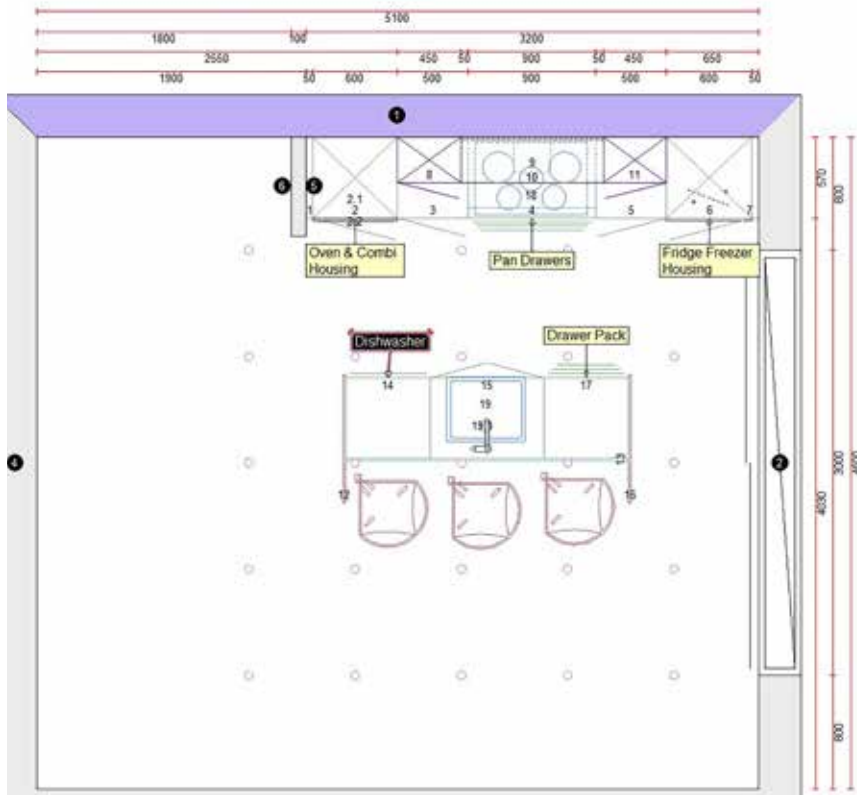

**WITH LAMINATE WORKTOPS\* LESS £3,000**

**WITH STANDARD APPLIANCES\*\* LESS £1,500**

**Prices include VAT.** These are examples and prices are correct October 2024. Full details and samples of the units, doors, worktops and appliances are available on request at our showroom.

\*Premium worktops are solid surface Quartz in a large selection of finishes, samples available in-store.

\*\*Premium appliances are based on Siemens exclusive appliances which offer advanced features and design over standard appliances.

## HANDLED ISLAND - With Siemens appliances and premium Quartz worktops

**£18,400 FITTED**

**MODERN HANDLED** kitchen with premium Quartz solid worktops plus an island with built in stainless steel sink and mixer tap. This example includes Siemens oven and microwave, an induction hob and extractor hood, integrated fridge freezer and dishwasher.

The installation here included dry fitting the new kitchen to prepared walls, the stools and drop lights were not supplied.
